

## South Holderness GDF Action

### Committee Meeting

13 March 2024, 19:00

#### *In attendance:*

Lynn Massey-Davis

Mike Davis

Andy Parkin

Sally Roydhouse

#### *Apologies:*

Julie Rodman

Helen St Quinton

Melanie Dyer

- 1) Finances – AP reported that after all expenses, the account at the Credit Union is £4.62 in credit. It was decided to keep the account active and maintain the Committee recognising that a change in government could also bring a change in legislation and decision making, because the need for long-term nuclear waste storage has not gone away.
- 2) Survey on South East Holderness development – LMD reported 53 responses to date, when more than 100 received to compile a position paper for submission to the ERYC providing positive and sustainable options for the area and its economy.
- 3) Party – now the focus of the vote has passed, active membership of the Facebook group has significantly dropped, so a thank you/celebratory party would no longer be appropriate or relevant.

The meeting closed at 19:30 - Next meeting TBA

Mike Davis, Secretary
